

# California Prevailing Wage Law Review

If you plan on attending any Prevailing Wage Seminars this year...  
This is the one for you!

## Join Cook Brown Partner Carrie Bushman as she discusses:

- Recently enacted statutory provisions regarding new penalties for non-compliance with public works contractor registration requirements.
- The small project exemption for contractor registration and submission of eCPRs;
- New penalty provisions for an awarding body's failure to notify DIR of public works projects.
- Learn how to read and interpret prevailing wage determinations, including scopes of work, travel and subsistence provisions, and shift differential provisions.
- How to take credit for fringe benefit contributions; apprenticeship compliance; recordkeeping requirements, including eCPR; and, Skilled and Trained Workforce requirements on certain jobs.
