Prior Experiential Learning

ACTA does not award credit for prior experiential learning. The transferability of credits you earn at ACTA is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in ACTA's HVAC/R Service Technician program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ACTA to determine if your certificate will transfer. ACTA has no articulation agreements with any other colleges, universities or institutions.

Refund & Cancellation Policy

- Students may cancel or withdraw from class for any reason, up until the 1st day of class or 7 days after enrollment, whichever is later. If student cancels after the cancellation period they are subject to a pro-rata refund.
 - Cancellation Dates – September 1, 2026 or 7 days after your enrollment date 09/08/2026 (whichever is later)
 - Student must fill out a cancellation/refund form and submit to ACTA within the time frame above.
- Notice of Cancellation is effective if it shows that the student no longer wishes to be bound by this Agreement or to continue their attendance at ACTA. If the student cancels this Agreement, the student shall not be liable to ACTA and ACTA shall refund any money paid through attendance at the first class session or the seventh day after enrollment, whichever is later. The Student Tuition Recovery Fund fee paid by residents of California are nonrefundable.
 - If student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
- Pro-rata Refund: Between the first day of instruction through the 60% date of the semester, refunds will be on a pro-rata basis using the official withdrawal date. Students are not eligible to receive a refund for dropping all classes or officially withdrawing after the 60% date. The pro-rata refund will be calculated by the number of Calendar days from the first day of the semester to the date of withdrawal. A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:
 - (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

Probation & Dismissal Policy

Any student failing a semester will have until the end of that semester to bring their grade up to a 70% or higher. If unable to bring their grade up to a passing grade, the student will fail the semester and be required to re-take that semester again before moving onto the next semester.

ACTA does not have any Probation periods. Students may re-take classes as often as they need to in order to pass successfully. All classes to be re-taken will be at the current cost of the classes at the time of re-enrollment.

Students shall at all times conduct themselves in a manner that does not disrupt or disturb their own or other classes. Any student causing disruption of the class will be dismissed from the class and may only be readmitted with the consent of the instructor.

Any student that does not respond to the instructor within a timely manner during the online class, will be considered as not paying attention, and will be dismissed from the class.

Any student that loses their tempers with an ACTA staff member or instructor, including but not limited to screaming, cursing, and harassing, may result in being dropped from the course. Refer to our "Refund and Cancellation" policy for details on refunds.

The use or possession of intoxicants in or around the class site is prohibited. Students reporting to class in an intoxicated condition will be dismissed from class.

Discrimination and/or Sexual Harassment

Discrimination in any form will not be tolerated by anyone involved in or with the program. All people are to be treated equally, fairly, and with respect. Sexual harassment is partially defined as "unwanted or unsolicited sexual advances or other visual, verbal or physical harassment or conduct of a sexual nature. Any student who is directly or indirectly involved with any form of discrimination will be subject to disciplinary action including expulsion from the program. Be advised that you may be held accountable under the law.

Attendance

Attendance is the responsibility of the student. Failure to attend an online class will result in being marked absent. Any missed online classes, you will have one week after the original class date to review a recording of the presentation. There are no "excused" absences.

Any student logging into an online class after 1 minute from the start time and before 10 minutes of the start time will be considered Tardy. Any time after 10 minutes of the start time will be considered as an absence. There are no "excused" Tardies.

There are no make up hands-on lab dates. If you fail to attend a hands-on lab class, you will receive a zero grade for that lab. There are no "excused" absences.

Leave of Absence

Under certain circumstances, a student may be allowed to take a leave of absence for medical reasons or for active military duty.

Medical Leave:

- i. A student may be allowed to take a medical leave of absence if unable to attend online/lab instruction due to pregnancy, injury, or illness.
- ii. The student must submit a written request for a leave of absence to ACTA staff at least 30 calendar days in advance of the need for leave, or as soon as possible under the circumstances.

- iii. The leave request must be accompanied by a doctor's note which certifies that the student is unable to attend class and the anticipated duration of the leave (start and end dates). The doctor's note does not need to disclose the underlying medical condition.
- iv. The leave request will be submitted to the Board of Directors for consideration.
- v. Assuming the request for leave is approved, it is the responsibility of the student to keep ACTA staff informed regarding their status and to promptly update any expired doctor's notes, if necessary.
- vi. Before the student is allowed to participate in online/lab instruction, he/she must provide a doctor's release to return to work/class; failure to do so will delay the student's return to active participation in the program.
- vii. If a student's leave of absence results in the student missing a lab class or more than 3 online classes, the student will be required to repeat that semester's classes upon returning to the program.
- viii. If the leave of absence is for more than 30 days, the student's entire period of attendance may extend beyond the originally estimated program completion date.

Military Duty:

- i. Upon receiving his/her orders, the student should immediately notify the ACTA staff.
- ii. The student must submit a copy of his/her orders to the ACTA staff before leaving.
- iii. Upon returning from duty, the apprentice should immediately notify ACTA staff in order to be scheduled for the next available class year.

Student Achievement

Upon completion of the student's first year of school, students should be able to pass the EPA 608 Certification test and begin working at an entry level position in the HVAC Trade. Refer to "Graduation Requirements" of this catalog for information on successfully passing a class.

Employment Occupation

ACTA's HVAC/R Service Technician Program aims to prepare its graduate for employment in the Heating, Air Conditioning, Refrigeration Mechanics & Installers occupation (49-9021). These positions do not require licensure in this state.

Language Proficiency Requirements

All instruction is in English. If English is not your primary language, you must provide documentation of proficiency, such as the Test of English as a Foreign Language (TOEFL) with a passing grade of 80 points. ACTA does not provide any English language services or ESL classes.

State and Federal Financial Aid

ACTA does not currently have any financial aid options available to students. ACTA does not currently participate in any federal and state financial aid programs.

If student obtains a loan to pay for the program, the student will have the responsibility to repay the full amount of the loan plus interest, less any refunds (if applicable), and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

If student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

- The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Bankruptcy

ACTA does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

Placement Services

ACTA is a contractor member association. We have 60+ member companies throughout the State of California. In addition to our member contractors, ACTA works with several non-member contractors in the HVAC industry.

Upon completion of the student's first year of school, they are given the opportunity to test for their EPA 608 certification which allows them to begin working with refrigerants. At this point, they will have enough knowledge of the trade to begin working at an entry level position for an HVAC contractor.

For student's that have successfully passed the first year of schooling and passed the EPA 608 certification test, they can request to be put on the Job Placement list. ACTA will then reach out to our member contractors as well as the non-member contractors and let them know we have trained students ready to begin working in the HVAC trade.

Please note, ACTA does not promise or guarantee employment.

Student Tuition Recovery Fund Disclosure

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7489.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss and as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the

institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess or tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at ACTA is at the discretion of an institution to which you may seek to transfer. Acceptance of the Certificate of Completion that you earn in ACTA's HVAC/R Service Technician Program is also at the complete discretion of the institution to which you may seek to transfer. If the Certificate of Completion that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ACTA to determine if your Certificate of Completion will transfer.

ACTA has not entered into an articulation or transfer agreement with any other college or university.

Learning Resources

- Our institution does not have a physical library facility. Our curriculum requires students to reference one book, Refrigeration and Air Conditioning Technology, during the 2 year program. Each student is provided with the book at the time of enrollment as part of their regular tuition. Therefore, students will not have a need to access a library.
- Other Learning Resources:
 - ACTA Classes are taught online using Microsoft Teams each week for our “live” online classes which occur in real time with an instructor. Students do not have to purchase Microsoft in order to participate in the classes. Staff members of ACTA are available during class times in order to assist students with any problems logging in.
 - ACTA’s media center utilizes an online virtual simulator, powerpoint presentations, and video simulations which is accessible to students 24 hours a day, 7 days a week.
 - Homework assignments are assigned via our Online Virtual Simulator. Students are provided a link and password to access these assignments. The online virtual simulator is accessible to students 24 hours a day, 7 days a week. Staff members of ACTA are available from 8a-4:30p Monday through Friday to assist with any homework assignments.
 - ACTA utilizes service equipment such as refrigerant recovery systems, vacuum pumps, charging scales and cylinders, leak detectors, pressure gauges, electrical simulation boards, and a variety of hand tools for our hands-on lab classes. This equipment is accessible to students during the scheduled hands-on training classes.
 - All students **will** receive classroom instruction and staff support for any issues that may arise during their enrollment in the classes. Staff is available from 8a-4:30p Monday through Friday.

Complaints

Students who are displeased with the quality of classroom instruction are encouraged to contact the ACTA office at (888) 486-4464 without fear of reprisal. The student may request to meet with the Training Committee at its next scheduled meeting.

All students have the right to request an audience of the Training Committee, in writing, to discuss any problems pertaining to their training.

Any improper act not covered by these Rules and Regulations shall be handled as the Training Committee deems fair and appropriate.

If outcome is unsatisfactory, a student or member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's Internet Web site: www.bppe.ca.gov.

Office of Student Assistance and Relief

The Office of Student Assistance and Relief is available to support prospective students, current students, or past students of private postsecondary educational institutions in making informed decisions, understanding their rights, and navigating available service and relief options. The office may be reached by calling (888) 370-7589 or by visiting www.osar.bppe.ca.gov.

Student Records

Each student enrolled in the HVAC/R Service Technician Training Program will have an online student folder that includes all required student data per Article 9. Each student is ordered by last name, first name. Once student graduates from the program, they will be moved to a Graduate online folder by graduation year.

Each file will contain a copy of the enrollment application which includes their name, mailing address, email address, and date of enrollment. A transcript of records will be included in each student's online file as well as a copy of their certificate of completion once they graduate. All financial records will be kept in their online student file as well.

All student files will be retained for 5 years and transcripts will be retained indefinitely.
